This is a clear sketch of my thumbnail drawing

But i don't know which one i should pick because i truly

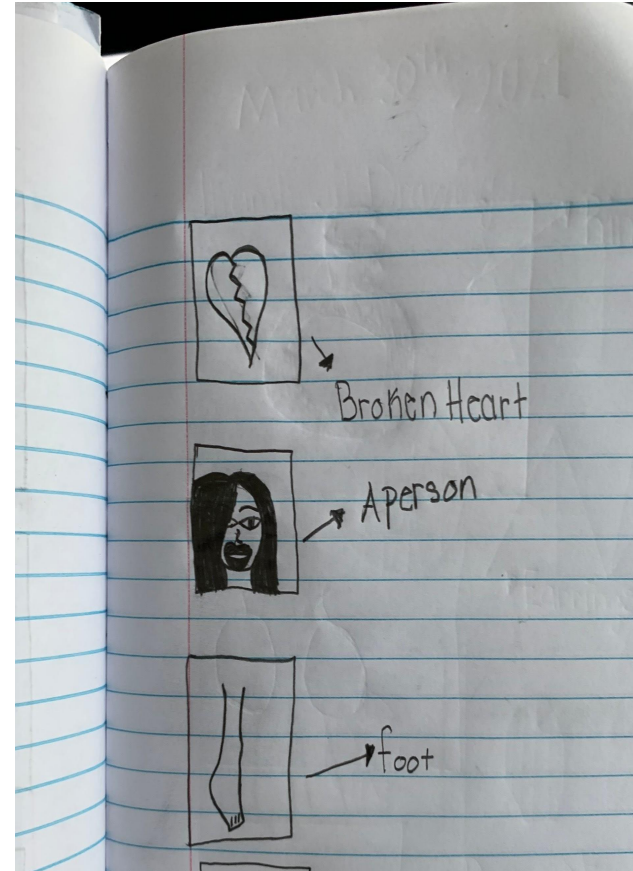

Love all of them and they all describe me in so many

Ways , especially the way i designed the broken heart .

The feedback i am hoping to receive is that i did good

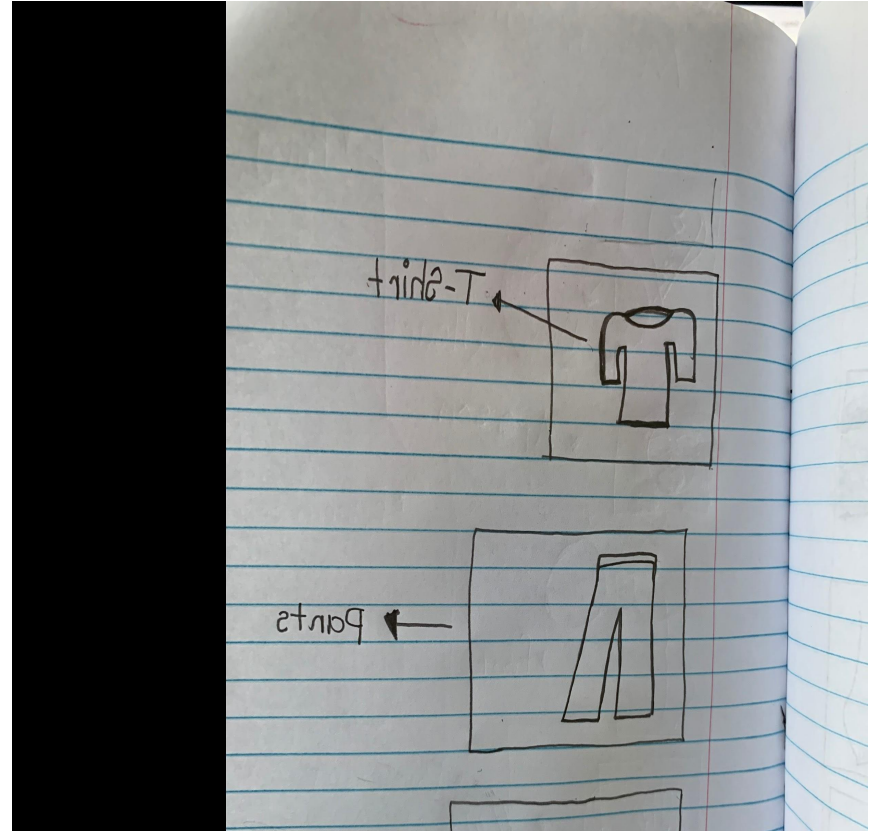

Job with my thumbnail drawing so far and their favorite

Ones they like of mines .

This is also a clear image of my thumbnail sketches when i drew a T-shirt and some Pants because i love clothes and i love the Swag and all the other tastes i have in Wearing all types of clothes as well .
And the feedback i am hoping to receive is That i am good or acceptable for what i do In this class .

Taniyah Duncan

These are Rainbows and the Sun i drew
Because they are both apart of the earth and
The sun gives me in the shine sleepy heads
In the morning vibes and the rainbow gives
Me a lot of good textures and pretty color
vibes .

Taniyah Duncan

These are hearts i drew because they remind
Me of so much positivity and LOVE and hearts
Describes me in so many good ways and the
Feedback i would like to receive is that how did
I do when it came to me drawing hearts or what
Was accepted or how can i make it look way
More realistic next time , etc .
