

# PEACE

I think peace is necessary at this moment because living with peace will prevent wars such as the war between Russia and Ukraine and war tensions with other countries. What if war occurs?

Many of the people in the countries will sadly lose lives and will create refugees. Most importantly wars will harm the environment.

To prevent this, the world should have peace within everyone.

So that we will create friends not enemies!

## Materials

### Used (Metals)

Gold: Leaves,  
chain, chain hook  
Shamrock Green: Land  
Baby Blue: Ocean  
Butternut Squash (Peach): Hand  
Hot Pink: Nails
